MISSION

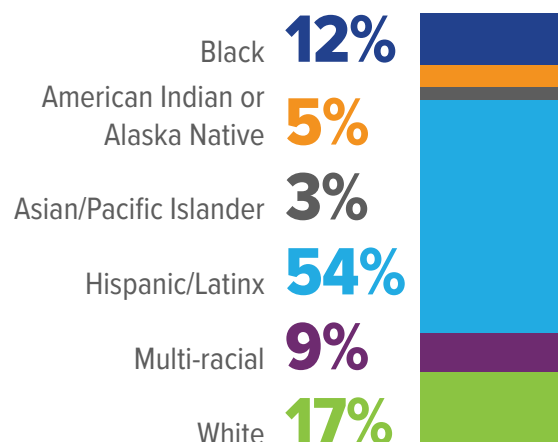

Lindbergh Elementary will provide a safe and supportive learning community where all Eagles succeed. We will LEAD through: Learning Together; Engaging, Encouraging, and Excelling; Achieving Always; and Discovering our Potential.

A COMMUNITY OF COLLABORATION

We have a motto at Lindbergh Elementary – “WE ARE LINDBERGH.” Our school is a place where educators and students work together with our community to ignite the joy of learning. We want our curriculum to be relevant to the students, and we find ways to give them real world experiences that spill over into other aspects of their lives. Our community garden, which provides teachers a tool to talk about the lifecycle of plants, becomes a family project as students get to take home ingredients to make their own salsa. Skills learned in math and science culminate in an end-of-year camping trip in which 5th graders get to put their knowledge into action as they make measurements to set up camp.

RACIAL/ETHNIC DISTRIBUTION*

*Enrollment data from October 1, 2021.

CLUBS AND PROGRAMS

6th Grade Campers, After School Learning Programs, After School Reading Tutors, Annual Talent Show, Chess Club, Community Garden Club, Monthly Friday Clubs, ONE HOPE After School Program, Project Engage, Robotics Club/STEAM, Safety Patrol, Student Council

HIGH ACADEMIC GROWTH

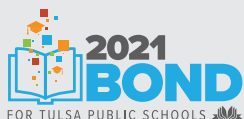

Our teachers are committed to providing students with grade-level instruction, no matter their level. If a student seems to be falling behind, rather than adjusting the student's daily instruction, teachers conduct a daily intervention in which the student can work to develop the specific skills needed. As a result, students feel engaged in the curriculum and challenged to meet their goals.

LANGUAGE SUPPORT

Families value the opportunities to engage with Lindbergh Elementary, and we never want language to be a barrier. Bilingual staff as well as our Culture and Community Committee ensure Spanish-speaking families feel connected through translated newsletters, emails and letters in addition to being on call to answer any questions.

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Lindbergh Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » A digital marquee, parking lot and exterior lighting improvements;
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.
